

Appl. No. 09/622,802
Att. Docket No. 10191/1517
Response To Final Office Action of 06/03/03

REMARKS

Claims 11 to 21 are now pending.

Claims 11 to 21 were rejected under the judicially created doctrine of double patenting over claims 1 and 4 of U.S. Patent No. 6,490,046.

To facilitate matters, a terminal disclaimer is being submitted as requested. It is therefore respectfully requested that the rejections be withdrawn as moot, since claims 11 to 21 are allowable.

Accordingly, claims 11 to 21 are allowable.

CONCLUSION

In view of the foregoing, it is believed that the rejections have been obviated, and that claims 11 to 21 are allowable. It is therefore respectfully requested that the rejections be withdrawn, and that the present application issue as early as possible.

Respectfully submitted,

KENYON & KENYON
